ABOUT VFP: Voices Festival Productions is an independent production company, operating under an Actors Equity Association, Small Professional Theater contract (SPT Tier 3) based in Washington DC, which produces plays (and the occasional musical) that stimulate debate and discourse, introspection and awareness, informed by revelation of our underlying humanity in all its color and complexity, finding resonance between those living with conflict in the Middle East and closer to home, in our nation's capital, along the seams of our nation and its very real and perceived divides. We celebrate diverse, inter-cultural voices and encounters through interconnected performance of both provocative and introspective new works for the stage, in dialogue with our moment. www.voicesfestivalproductions.com

ALL VFP STAFF: (ex. contractual artists/festival associates/volunteers) are asked to follow organizational policies for anti-discrimination/harassment and Covid Safety protocols. In addition to our mission, we have iterated Company Safety Documents, including our VFP Anti-Harassment Policy, Rehearsal Room Standards (based on the work of our colleagues at Not in Our House: Chicago), an Intimacy Pillars Reference Guide, Concern Resolution Form, COVID Safety Plan, and more. We have been following and reviewing these guidelines during our workshop rehearsals thus far, soliciting feedback from artists in support of an effective rehearsal, performance and workspace culture.
